Shipping Your Tapes and Film Reels

A stack of several VHS tapes is shown on the left side of the page, with a film reel partially visible below them. The tapes are arranged in a fan-like pattern, showing their spines and labels. The film reel is dark blue and has a white hub.

1

Organise Your Media

Organise your older analogue memories – in the closet, under the bed, in the attic, out in the garage. With Happy Video, you don't have to do ANYTHING up-front. Just ship your memories as-is.

2

Pack It Securely

1. We recommend a sturdy box and use strong shipping tape.
2. Pack your films reels, tapes and camcorders with bubble wrap, paper or peanuts.
3. Complete the **Customer Order Card** and include it within the box you are shipping.

3

Ship Your Media

Visit your closest post office and ship the box with a carrier of your choice! Once your package arrives, Happy Video will notify you!

Questions? Contact Happy Video at 028 90 200 229 (NI) or 1 800 84 84 88 (ROI) or email at happyvideo@happyireland.com. Happy Video is here to help whenever you need it!

Please fill in the respective information and include this card within the box of your media
